

# Congratulations!

“We know that choosing the right entertainer for your event can be a nerve racking and difficult task. We also understand that price is a huge factor in choosing a DJ. We are sure you’ll agree that you also deserve quality for that price! We’ve been in the DJ business for over 20 years and we take pride in providing excellent service to all of my clients. We will be happy to play our part to give you an **unforgettable reception!**”

Top 40/100, 80s, 90s, Millennial, Oldies, Hip Hop, Motown, R&B, Rock, Just to name a few!

## Do you have liability insurance?

Yes. I can provide proof to your venue if necessary.

## Describe your DJ style:

Interactive - I like having fun and making the crowd comfortable! I can also go a little less high-energy/more and laid back. When we have our consultation, you can let me know exactly what you want.

## What's your usual attire?

Usually a suit and tie for weddings, golf shirt/Khakis for less formal gatherings.

## Do you display signs or banners?

I only display my business cards. I do not use garish posters and signs to promote myself and detract from the look of your event.

## Do you emcee the event or talk between songs?

Yes, I am the *Master Of Ceremonies* for your night. I will work with you to craft a timeline, and make announcements. I make sure your timeline is covered and you don't need to worry.

## What do you do if no one is dancing?

I'll try some different music, catchy party favorite dance songs (YMCA, Cha-Cha Slide, etc) or start taking requests based on the approved playlist) I also get out there and encourage others to dance

## How much music can we request?

If you have any special requests, I will always get them in for you! Please remember we have a limited time to do so! I only carry "clean" versions of songs. I am okay with taking requests, if YOU are okay with it.

## What happens if you can't get a song we request?

I will let you know months ahead of time if I cannot find it. But no one has ever stumped me!

## Do you bring your own equipment?

Yes. I only use 100% professional audio and lighting equipment.

## Can we submit a do-not-play list?

Of course!

## Do you book yourself for more than one event per day?

Never! You will have my full, exclusive attention on your day.

## Do you provide contracts?

Yes, I will provide contracts regarding our transaction for your records.

## Can we meet the DJ before booking?

Absolutely! I have also successfully done several preparations using just the phone and emails. It's all about what YOU are most comfortable with.
